

March 25th – Defending Life Class

Do you have difficulty sharing your pro-life beliefs?

In this three hour class you will learn how to have successful, non-confrontational conversations about abortion with anyone. Using **straightforward, scientific, and moral evidence, you will be able to:**

- *defend the humanity and right to life of unborn children at conception*
- *address difficult cases such as rape and incest, congenital disease and deformity*
- *respond to statements like, “I’m personally against abortion, but I’m not going to force my opinions of others,” or “It’s a woman’s body, it’s her right to choose.”*
- *other topics include overviews of abortion procedures and legislation*

You will be able to comfortably respond to pro-choice arguments and be part of changing our culture one person at a time.

Clelie & Charles Carpenter, Baton Rouge Right to Life Board Members and 40 Days for Life Outreach Coordinators, will present this class. They are Pro-Life Prayer leaders at Bethany Church and side walk counselors at the Delta abortion facility through the **Loving Moms – Saving Babies** ministry. She and her husband are also involved in monthly door to door canvassing to raise awareness about the harmful effects of abortion.
