New Abortion Business in NOLA East To Target Women and Babies

Long-time abortionist Dr. Rashonda Dean, who has performed nearly 16,000 abortions, is looking to open an abortion business, "Deanz Health Care for Women," at 5437 Crowder Blvd. near Lake Forest Blvd. This would be NOLA East's only abortion facility. We need peace in our community, not the violence of abortion. NOLA East and Gentilly citizens must make their voices heard!
