

Welcome to PULSE!

At PULSE, we are training and motivating high school and college students as leaders in the Pro-Life Movement. PULSE Leadership Institute (PLI) is an exciting week for students to dive fully into the pro-life cause. Sessions at PLI go beyond abortion into topics like adoption, euthanasia, physician assisted suicide, bioethics, third party reproduction, disability discrimination, and more. With engaging local and national speakers and testimonies, students will be educated on the pro-life issues and inspired to make a difference.

PLI also offers the unique opportunity to practice hands-on activism and tour a local pregnancy resource center that offers mothers in crisis true, life-empowering choices. Oh, and between these empowering sessions are games, a leisure fieldtrip, our PULSE Coffee House talent show, and several fellowship activities so we know you will have a blast at PULSE! We'll also take a trip to the Louisiana State Capitol!

PULSE Leadership Institute is open to high school and college students of any denomination or none. Students and adults wishing to staff PLI should contact PULSE@ProLifeLouisiana.org.
