Hello. How may I help you?

14:56

Hey I need help

Sara

14:56

Hi, how can we assist?

14:57

I think I'm 13 weeks is there anything you can do

Sara

14:58

If you are already 13 weeks, you can actually take the 2 kit pack with overnight shipping and it will still work.

Sara

14:58

To make it easier for you, you may directly place an order through this link:
[REDACTED] (select how many kits you need) then you may
select your shipping method on the checkout page.

14:58

oh thank gg my parents don't know

14:59

can I ship it to my friends house

Sara

14:59

Sure! You may.

15:00

Will I get in any trouble I didn't mean for this to happen

Sara

15:00

No worries. We ship to all states in discreet packaging for your privacy and security.

15:00

and I'm too young for a baby

Sara

15:01

As long as a trusted guardian will assist you on this procedure, it's ok.

15:01

Ok I just start my sophomore yr but I'll have my boyfriend help me

Sara

15:02

Is your boyfriend of legal age?

15:02

yeah he is

Sara

15:03

Great. Please have him assist you with this order.

15:03

ty

Sara

15:04

You're welcome! Also, this can be taken up to around 14 weeks as long as you will take the 2 kit procedure.

15:04

Oh thank g

Sara

15:04

No problem. Once an order has been placed, our billing support group will send you an email from [REDACTED] containing the payment instructions. Please also check your email's SPAM folder. It should take shortly after an order has been placed.

15:05

Tx

15:05

yall really helped me

15:06

And yall ship everywhere r

Sara

15:08

My pleasure! It is actually recommended to take it as early as 6 weeks but since it is an emergency you can take the 2 kit pack. Just make sure to have it with you before 14 weeks is over, else you will have to undergo surgical procedure instead.

15:08

Ok

15:16

Ty

Sara

15:16

You're welcome!
