

Gulf Coast Pro-Life Citizens: STAND WITH FLORIDA!

Lives are at stake in Florida this fall.

Citizens of the Gulf Coast must help expose Amendment 4!

What Is Amendment 4?

On November 5th, 2024, the radical pro-abortion measure, Amendment 4, will be the ballot in Florida. If amendment 4 passes, abortion would be legal up until birth in Florida.

How Will This Impact the Gulf Coast?

The impact of Amendment 4 will not only be felt in Florida. Amendment 4 is dangerous for the entire Gulf Coast. Florida will become a destination for abortion for all Gulf Coast states.

How Will Amendment 4 Impact Parental Rights?

If Amendment 4 passes, there will be no parental consent in Florida before an abortion, meaning minors from any state can have an abortion without the approval of a parent.

We Must Help Our Neighbors in Florida!

Louisiana Right to Life is leading the effort across the Gulf Coast to raise funds and recruit volunteers to help Florida defend life and expose this terrible amendment. Every donation you make will help Florida! You can also sign up to volunteer.
