Dear Students, School & Church Leaders, and Parents,

It is our honor to partner with our friends at Louisiana Right to Life to invite high school and college students from across our state to attend their first-ever **“Louisiana Pro-Life Youth Leadership Summit”** on **September 23, 2025**, at the Old State Capitol in Baton Rouge.

Louisiana has long been a national leader in defending life. We are proud to serve alongside fellow legislators who are committed to protecting the unborn and supporting mothers. It is our hope that Louisiana will carry the banner for life long into the future.

Too often, we hear that the youth are the future of our community. When it comes to the pro-life movement, we believe the youth are the leaders of today. Your courage, your compassion, and your leadership can save lives and bring hope to those who need it most.

The Louisiana Pro-Life Youth Leadership Summit is a unique opportunity to equip you to be a pro-life leader in your school or community. You will gain valuable knowledge, sharpen your leadership skills, and connect with other student leaders.

To teachers and school administrators, we encourage you to support your student leaders by giving them the opportunity to attend. Whether they are involved in pro-life clubs, ministry, or civics programs, this summit will further build these students into leaders for your school. Churches and homeschool families are also encouraged to send young leaders.

We look forward to welcoming you to the Old State Capitol and witnessing how your leadership continues to shape Louisiana’s pro-life future.

**Sincerely,**

**Nancy Landry**  
Secretary of State

**Phillip R. DeVillier**  
Louisiana Speaker of the House
