Candle Fundraiser

guide

How to Sell Fundraiser Candles After Mass

Our candle fundraiser is simple, flexible, and effective. As a ministry leader, you can choose between two options for offering candles at your parish.

Choose Your Sale Option

Option 1: Purchase Candles in Advance

- Buy candles upfront at \$20 each.
- The suggested selling price is \$30 per candle.
- Your ministry keeps the \$10 profit per candle sold.
- Any unsold candles belong to your ministry to sell later.

Option 2: Loan Candles From Us

- Borrow candles with no upfront cost/liability.
- After your sale, return:
 - Any unsold candles
 - \$22 for each candle sold
- Your ministry keeps the \$8 profit per candle sold.

Note: At this time, we are looking at giving a maximum of 50 candles per scent (150 candles) for borrowing. Supplies are limited!

Materials Provided

To support your parish fundraiser, we will provide:

Bulletin Insert

Signage

After Mass Announcement

Prepare for the Sale

- Set up a table in a visible spot after each Mass with candles displayed neatly.
- Place the provided signage clearly at the table and a cash box with small bills for change, and optionally a way to accept digital payments (like Venmo).

Share the Purpose

- Use the bulletin insert to raise awareness in the parish before the sale.
- Ask the priest to use the sample after-Mass announcement so parishioners know to stop by.
- Emphasize that:
 - The candles are beautiful, high-quality, and inspired by saints who were models of respect for life. (Soy wax, 3-wick, 14-oz)
 - Proceeds directly support your parish ministry and the pro-life cause.
